

# School Newsletter

Nurture, flourish and succeed together as a loving family of learners.

**Friday 11<sup>th</sup> June 2021**

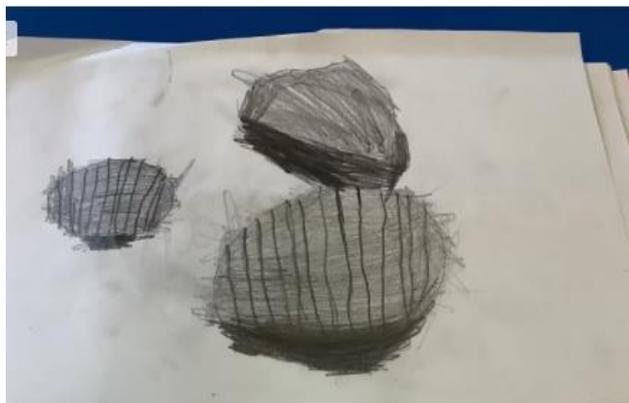

*Dear Parents*  
*Weekly Update*

During half term the playground was updated with some new bright and colourful markings. The children have loved using the new playground markings. Miss Southam chose the designs well! We are all very happy and it helps to keep us all active.

### **Class One**

In Art this week Class 1 have been looking at Tone and produced some great monochrome pieces of work with Miss Harper. Great budding artists!

### Wild Tribe

Class 2 had their first Wild Tribe session on Wednesday afternoon. During the session they made and decorated a wood picture frame and finished the afternoon with a cup of hot chocolate.

### African Art

Class Two were joined (virtually) with an African Storyteller and artist, Bemba Akyeampong. The class were very lucky to take part in a lovely session filled with story-telling and Ndebele art. This a South African style – messy but great fun with stunning results. A huge thank you to FOBS for funding this event and thank you Bemmy. We would love to work with you again.

## **Star Learners**

### ***Class One***

*Ruby is our star learner this week.*

*Jacob is the Maths superstar. He worked really hard with multiplication and division.*

*Well done to both of you.*

### ***Class Two***

*Neve and Thomas are the star learners this week.*

*(I am so sorry I forgot to get the photos to add to here).*

### ***Reading Challenge***

Well Done to everyone for taking part in the half term reading challenge – some brilliant reading places and companions.

There is plenty of space left on the display board and more photos would be very welcome! A quick snap and send it through to us. We do the rest! Come on join in with the fun and find an unusual place to read.

### ***Leaver's Assembly***

Please note that the Leaver's Assembly has been changed to **Wednesday 21<sup>st</sup> at 1:30pm**

### ***End of Term Treat***

We will be welcoming Higher Beings Circus to school on Friday 23<sup>rd</sup> July from 9.30 to 2.30 as an end of term treat for the children. The children will be taking part in Circus Workshops throughout the day learning skills in slack lines, tight rope (height restrictions apply), stilts, poi, spinning plates, crazy circus bikes, big balance balls (supervision and team work required), Aerial hoop taster sessions (one to one supervision) as well as a Circus dress up box. The day and school year will then end with a visit from the Hockings Ice-Cream van (see posters displayed in school and on Dojo). Thank you to FOBS for organising this fantastic treat for us all!

### ***Weekly News***

Another busy week and finally some sunshine! The children have worked incredibly hard and their efforts have not gone unnoticed! Reading, writing, super maths and fantastic art work. My time in the school is always a pleasure and it is wonderful to be greeted with such enthusiasm. We are still seeking anyone who may be interested in becoming a governor for the Ruby Country Hub. If you fancy a chat about this role then please do get in touch.

As we near the end of the year and the end of Primary School for our Year Six we will be conducting a series of short assessments. These form a normal and necessary part

of the school year and help to inform us on the progress made. Over the next few weeks, the children will be given these assessments. They will be age appropriate and managed with skill and care. The staff will continue to be sensitive to individuals and incorporate the tasks into the everyday lessons. If you have any questions then please do speak to the Class Teacher or me.

Don't forget to take a photo of your child reading a book in an unusual spot!

Have a lovely sunny weekend!

Miss Sunita Chauhan
