

# School Newsletter

Nurture, flourish and succeed together as a loving family of learners.

Friday 14<sup>th</sup> May 2021

## School Tidy Up

With special thanks to Leanne we have managed to get the front entrance looking a little more welcoming. FOBS kindly donated the plants and compost and I think you'll agree, when you next drop off and collect, it looks amazing. Sarah, meanwhile was able to put her skills to good use in the staffroom building the flat pack furniture. We now have a lovely cosy room to eat lunch. Thank you both for your time and efforts.

## World Bee Day

**World Bee Day Thursday 20<sup>th</sup> May** highlights how we all depend on the survival of bees. More than 75% of the world's food crops and 35% of global agricultural land depend upon animal pollinators. However, bees and other pollinators, such as butterflies, bats and hummingbirds, are increasingly under threat from human activities. Watch and share this powerful video '[To all](#)

[the unsung heroes... Thank you!](#)'

## Virtual Parents Evenings – Class Two

Parents are attending a virtual meeting with Miss Southam next week. Each session lasts minutes and is a wonderful opportunity to discuss how well the children have settled back into learning and what their next step targets are. These meetings provide guidance and reassurance that a rich and diverse curriculum is being delivered and that expectations remain high. Thank you for signing up, let's hope the technology works.

for 10

## Star Learners

### Class One

Well done Robert who has been able to demonstrate a real improvement with his handwriting. Double congratulations to

Robert for winning a poetry competition a while ago. Today, he was finally presented with his prize in assembly.

## Class Two

Super effort this week Neve, who has written a wonderful piece of writing currently displayed in the hall.

Both of these Star Learners go home with a new trophy. They keep this for a whole week.

### Weekly Update

I met with representatives from Bouncy Babies this week and discussed ways in which we

could have the group restart on the school site again. Watch out for news on this exciting prospect.

Don't forget FOBS meet this Friday.  
Thank you and have a lovely weekend  
Miss Sunita Chauhan
