broaden her skills for a while and we are delighted that she finally has the opportunity to do so. We are very sad to see her go and the children were equally sad when they told earlier today. We will be making the most of every day for the rest of this term. We will enjoy the activities that are planned and will use the time well to share the memories from the previous six years that she has been teaching at the school. She will be greatly missed not only for her super PE leadership across Ruby Country Hub but her expertise in teaching a full KS2 class.

Miss Southam

Congratulations!

Southam has successfully secured a teaching job in a primary school in Bideford. She wanted to develop and broaden her skills for a while and we are delighted that she finally has the opportunity to do so. We are very sad to see her go and the children were equally sad when they told earlier today. We will be making the most of every day for the rest of this term. We will enjoy the activities that are planned and will use the time well to share the memories from the previous six years that she has been teaching at the school. Year 5/6 Shoreline Adventure Day 22nd June

Following on from the letter emailed to parents on Wednesday 16th June, the children in Years 5 & 6 need to be transported to Shoreline Canoe Base in Bude, arriving for a 9.30am start and collected again from Crooklets Beach car park at 5.15pm.

**Directions to the Canoe Base - Next to the Canal and Bude Scout Hut - SS207058 -

From the mini-roundabout in town next to the river, take the Widemouth Bay turn off. You'll immediately cross the river. As you pass the second block and at the base of the hill take a turn to your left, you'll go over two speed bumps and see the green scout hut in front of you. The canoe base is just past the scout hut on your left. There are public toilets nearby.

Guess the Name of the Bear

Thank you to Trish Hands for the lovely waistcoat! Guess the name of this bear and watch the coins spin into the wishing well. 50p a go and plenty of names to choose from. Have a go and the winner gets to give him a new home. Picked on the last day.

Welcome to Mrs Morris

For the rest of this term, we are very pleased to tell you that Mrs Morris will be teaching in Class One every MONDAY, THURSDAY AND FRIDAY.

The children have made the first two days very enjoyable ones. Mrs Morris is already feeling settled thanks to the kind and very helpful children.

Entrance and exit arrangements will be changing. Please look on Dojo for confirmation.
