Dear Parents

Weekly Update

Leavers Assembly

On Thursday we said goodbye to Niall, Neve, Kloe, Chloe and Alan our super Year 6's. They performed their own sketch which included a lot of silly string! Both classes shared their own memories of the Year 6's along with songs and a presentation of gifts.

The virtual assembly was

broadcast live with only one loss of connection.

We are very proud of the way the children have dealt with the multitude of obstacles faced this year. This group of Year 6 pupils have demonstrated such resilience and have behaved with responsibility having grown into individuals ready for the next step.

Miss Southam was also generously treated. She was pleased with the gifts presented to her. She has worked tirelessly over the last six years and has also lead PE superbly across the Ruby Country Hub. We shall miss her lots and wish her all the very best in her new job.

Goodbye & Good Luck to all of you.

Higher Being Circus

What an amazing day we have had. Geoff, Amy and Vicky joined us with a huge array of circus equipment. The children spent the whole day learning about the circus skills and perfected them as the day went on. We have posted many, many more photos on the Dojo. This might have to become another yearly event at Bradford all the children loved it and many skills were discovered.

Hockings Ice Cream

Another tradition at Bradford was the annual arrival of the Hocking's Ice-cream van. Geoff arrived on time and thank you to FOBS and Bouncy Babies for providing every child, baby and member of staff with a delicious ice-cream.

This was a wonderful highlight of the year. **THANK YOU** so much.

Goodbye to Caroline Hawking. Thank you for all the years of support with FOBS.

To all children, parents and staff at Bradford Primary School

Thank you very much for all the kind messages, thoughtful cards and lovely gifts when I left Bradford Primary School. I was so touched and overwhelmed. I enjoyed working with you all and have many fond memories. The end of term is not far away and I hope you all have a relaxing summer holiday especially when it begins with a Hockings Ice Cream!!

Every good wish to you all.
Stephanie Glanville

Welcome

On Tuesday 7th September we return to a new school structure. Mrs Tucker-Grant will be working with Miss Lovering who is our newly appointed Early Career Teacher. Miss Lovering is delighted to be joining the school and has spent two days getting to know the children here at Bradford. Mrs Tucker-Grant will be leading the teaching and will be focussing on the Y4/5/6 curriculum. Miss Lovering will be leading the Y2/3 curriculum to ensure that all year groups' needs are met. With this new structure there will be many opportunities to work together as one class but also to include and involve those pupils at Black Torrington Primary School. We are very fortunate to have an abundance of space, indoors and outdoors and want to make the best use of it. We aim to utilise this space for subjects like computing, art and PE. We are also aiming to make the best of the outdoor space and to use the expertise of 'Outdoor Learning' trained Mrs Tucker-Grant. Watch this space for the exciting news on developments.

Do you have any hidden skills? Gardening, art, sewing, cooking, sports, astronomy, stamp collecting... to name a few. Please come and speak to me if you are willing to run a club for our children.
