Weekly Update

Class 1 had great fun in Art this week where they printed pictures using found natural objects as well as their own hand prints.

Outdoor Adventure Day

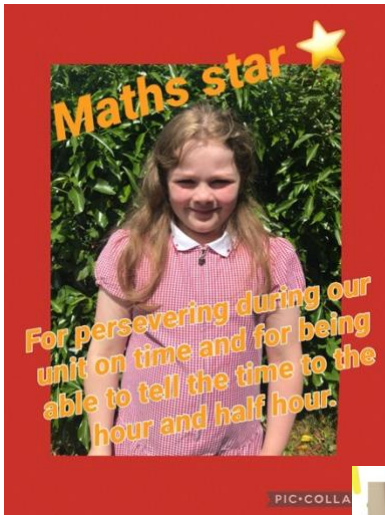

Year 5 & 6's had a brilliant time kayaking and surfing on Tuesday when they spent the day in Bude on their Shoreline Outdoor Adventure day. Thank you to Miss Southam and Mrs Lee for the organisation - it was a superb day.

Back at school the Year 3 & 4's were busy using string to draw clocks on the playground and making nature holders which they filled with natural materials. They also used blind-folds to use directional language instructions with each other.

*Star Learners
Class One*

Mrs Morris and Mrs Deane were very impressed with all the members of Class One this week. The children have coped well with the changes and are looking forward to meeting MR TZEN on Tuesday and Wednesday.

Well done to Amy and Flossy and to all in Class One for showing great consideration and resilience.

Class Two

Jasmin worked very well showing skills in kindness and demonstrated how important team work is.

Khloe was able to show her determination in many situations this week, including how to get a wet suit on!

Well done to both of you.

Sports Day

Please note Sports Day will now take place on Thursday 15th July for Bradford only. Due to the continued COVID restrictions each school will hold Sports Day separately and unfortunately parents and family members are not permitted to attend. We will ensure a fun morning for the children will plenty of photos posted on Class Dojo.

Year 6 Transition Visit

Unfortunately, due to the current COVID restrictions Holsworthy Community College have had to cancel the Year 6 transition visit on Tuesday 20th and Wednesday 21st July.
