- Message from Mrs Luxford
- Clubs for Autumn Term 1 2022
- Class News
- Attendance
- Nursery Class News
- FOBS news
- Diary Dates

With only three school days to go before the summer holidays I am proud and happy to reflect on an amazing term at Bradford. Our children have been out and about living their best lives doing visits to their Secondary schools, competing in sporting events, community celebrations and in between keeping up with all their valuable learning in class. The staff team deserve massive credit for organising and managing all of these things and making them loads of fun for everyone. The culmination of our term was the fabulous trip to the beach this week. The children behaved beautifully, we had a wonderful time playing on the sand and in the rock pools and the bodyboarding/time spent in the sea was amazing. The children have had a blast, been active and healthy and learned some very valuable lessons about resilience, perseverance and the joy that comes from being brave and challenging yourself.

Monday	Adventurous club– tbc
Tuesday	Netball with Miss Lovering
Wednesday	Sign Language Club with Mrs Lee
Thursday	Gardening with Mrs Tucker-Grant
Friday	Friday Fun club with Mrs Luxford @Bradford

Class News

Fern Class News

Wow! What a busy fortnight. The children have been superstars and have really enjoyed throwing themselves into new challenges across our Festival of Hope week. It was lovely to see them all supporting each other and the children from across the Ruby Country Hub schools during our sports day and trying their best across all the athletics activities.

The children worked hard to create lots of quizzes and activities ready for our community afternoon and it was lovely to see so many happy and interested faces as the children were showing off their fantastic learning from across the year.

Have a lovely weekend.

Miss Lovering

Bracken Class News

The children thoroughly enjoyed our Festival of hope activities. The year 3 and 4 children had a great time showing off their rounders skills and were a credit to the school and themselves, supporting other children from across MAT schools who were less confident or didn't have enough players for a whole team.

The year 5 and 6's had a wonderful evening at Bridegerule sharing their scary stories around and camp fire and enjoying a yummy toasted marshmellow! All of the children did a fantastic job of writing and reading their stories.

Well done to all the children for their hard work and excellent demonstration of our CRAFT values.

Attendance

Well done everyone for brilliant attendance. At this time of year we are offering lots of enrichment opportunities to the children. We plan these activities very carefully because they are so valuable, in terms of building confidence and teaching children about being brave, resilient and challenging themselves. It is absolutely great if everyone benefits from this!

FOBS News

A big THANK YOU to FOBS for a fantastic Hocking's Ice Cream Afternoon. It was lovely to see so many happy, smiling faces around the school.

Thank you to Michelle for being a brilliant, hardworking and supportive member of our school community for the last 7 years. We wish you the best of luck!

Nursery News

We have had a busy fortnight in the Nursery Class. Last Tuesday we joined in with the Ruby Country Hub Sports Day and tried our best at lots of new and interesting activities with the support of the other children, parents and teachers.

We have made the most of the lovely weather and taken our learning outside, reading our story to the cows and decorating our den with some fantastic mark making as well as exploring new textures and creating some interesting pieces of art.
