

Bradford

Primary School and Foundation Stage

WHAT'S IN THIS ISSUE:

- Message from Mrs Luxford
- Class News
- Star Learners
- FSU News
- FOBS news
- Trust News
- Attendance
- Diary Dates and Reminders

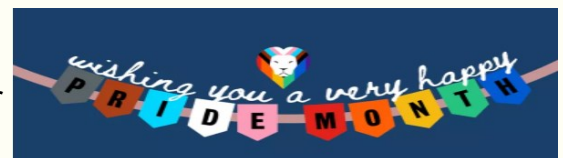

Bradford has been a hive of activity this last fortnight. The children have been working very hard and have impressed us with their attitude to their learning and the progress they are making. We are very excited about the plans we have for the school moving forward and we need your help! Please like and share our new Facebook page and do what you can to raise our profile by promoting the school far and wide.

Thank you to everyone who came to our 'Reading Café' it was so lovely to share stories (and tea and cake) with you all.

Friday 1st of July is also our Trust wide '**Rainbow Day**'.

Children and adults are welcome to come to school wearing as many rainbow colours as they can in celebration of inclusion and diversity at the end of pride month. We are planning a circus skills workshop for that day too!

Class News

Fern Class News

This week in maths, we have been looking at measuring and problems solving with length and height. The children have worked carefully to measure and compare different heights within our classroom using their knowledge of subtraction.

In PE, we have started to work on our Athletics skills. ON Wednesday morning we enjoyed a morning in the sun having a go at throwing a javelin and shotput. The children worked well together and were able to help each other to improve their technique.

You have all be absolute superstars this week, thank you.

Miss Lovering

Bracken Class News

This week Bracken Class have been working hard recapping previous learning and then building on this with new knowledge.

In maths we have been looking at properties of shapes—angles, describing shapes using edges, sides and vertices and lines of symmetry.

In our English sessions we have been planning and writing up our draft versions of our narratives to go with our class text – The Arrival.

The children have thoroughly enjoyed our science learning all around adaptations—especially looking into marine organisms and how they have adapted to survive in various depths of water.

All the children have been superstars this week—thank you Bracken Class!

FOBS News

Over the next couple of weeks FOBs are running some great events that they would love to invite you to.

- Wednesday 29th June—A coffee morning in Holsworthy
- Monday 11th July at 2.30pm—Hockings Ice-cream at Bradford Primary School.
- Wednesday 13th July—Bag for School Collection to be dropped off at the village hall.

FSU News

This week we have been reading and exploring our book Jasper's Beanstalk. We have retold the story using actions and puppets as well as creating our own bean stalk describing it using our star words, shorter, longer, bigger and taller.

We have also got creative with our story doing some leaf printing, using leaves we found in our school.

Miss Lovering and Miss Braund

Trust News Festival of Hope

- Monday— Year 3/4 Rounders
Year 5/6 Stories around the campfire @ Bridgerule
- Tuesday— Ruby Hub Sports Day @ Bradford
- Wednesday— Creative Arts Day
- Thursday— Community Action Day
- Friday— Festival of Hope Exhibition

Reminders

Lunches and clubs **MUST** be ordered via School Gateway. Mrs Allin is doing a sterling job of administration across the two schools, but it is very difficult for her to chase up children who have no lunch order each day, or who are not signed up for clubs but think they are going. If you'd like some support with getting this set up, please ask, we'd be happy to help.

100%

Attendance

This week we've had a real improvement in school attendance, with all children attending 100% of the time. Brilliant news! Well done, Bradford. This means pupils are able to move forward through their learning without feeling confused and needing to catch up on things they have missed.

Diary Dates

22nd June - HCC Transition Day Year 6

23rd June - Okehampton Transition Day Year 6
